

**While you look after
your patients, we look
after you.**

Greetings from our CEO

Dear Members and Friends of Medisec

Please see February's articles and top tips of interest below.

Medisec is delighted to announce that it has commissioned the very talented Irish doctor, Dr Eoin Kelleher to produce some cartoons on its behalf. These cartoons will be shared with members on a monthly basis and you can see the first one alongside our social media article below.

As always, we would love to hear your feedback on how we can continue to best support you.

While you look after your patients, we look after you.
